

Oxfordshire Plan 2050

Call for Strategic Location Ideas

The councils in Oxfordshire are working together to produce a new strategic plan that will guide development and infrastructure investment in Oxfordshire to 2050.

- environmental schemes/designations; or
- community schemes/developments.

Whether you have a detailed proposal, or just a broad idea, please complete this form and let us know what you think. You do not need to complete every section, just fill in as much as you can.
